Dear Director Eberle:

On August 22, 2018, the Department of Health and Human Services and the Department of the Treasury approved Maryland's State Innovation Waiver under section 1332 of the Patient Protection and Affordable Care Act (PPACA). Maryland's application sought to waive PPACA's requirement for the single risk pool to implement the Maryland State Reinsurance Program for 2019 and future years. It is the Department of the Treasury's final administrative determination that Maryland's pass-through funding amount is \$373,395,635 for calendar year 2019.

If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Robert Yates at Robert.Yates@cms.hhs.gov, Lina Rashid at Lina.Rashid@cms.hhs.gov, or stateinnovationwaivers@cms.hhs.gov.

Sincerely,
